## **DATASHEET**

- Advanced infra-red touch technology
- Anti-glare coating
- Integrated speakers
- Professional grade components
- Low energy consumption
- Slim design
- Product warranty: 2 years

## e-Screen 65" EMD black

- 65" (165 cm image diagonal) is an ideal format for classroom or boardroom interactive presentations
- Multi-touch capable (up to 10 simultaneous touches, Windows 7/8/8.1/10)
- The e-Screen system offer a durable solution for heavy demand environments like schools, public facilities or corporate environment
- The advanced infra-red touch technology guarantees precise and fast response. No calibration is required.
- Advanced LED backlighting system ensures image quality of the highest level and low energy consuption
- The advanced infra-red touch screen technology uses infra-red sensors to detect the touch point. Any pointing device (finger, stylus, or any other pen-shape object) can be used
- Comes compleet with Tango software

Ref.: **7-194256** 

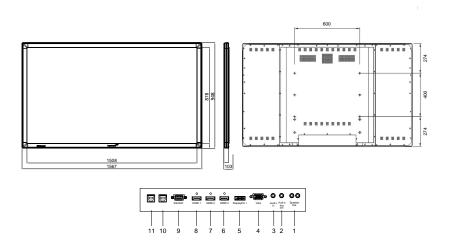

EAN: 8713797077514
