

TSB76901AP | Targus 15" Crave™ II Backpack for MacBook®

The Targus Crave™ II Backpack for MacBook® is designed to protect up to 15" MacBook® Pro and MacBook® Pro with Retina Display. Inspired by outdoor apparel, it features great protection. The outer part of the case is made of durable nylon material featuring the DuPont™ Teflon® fabric protector that repels most water and oil accidental spills. The foam padding and sling MacBook® compartment system provides extra layers of cushioning for shock absorbency while the soft, scratch-resistant interior lining keeps the MacBook® free from dust or scratches. The lightweight material has been abrasion tested for durability. This stylish case is designed with contrast lining and trimming. The Crave™ II Backpack offers plenty of storage options, including dual side zippered pockets, an advanced workstation and a zippered stash pocket on the front panel. For better organization, there is an iPad®-dedicated compartment, also made of scratch-resistant interior. Additional features include the mesh fabric back panel, designed to provide air ventilation, while the heavily cushioned back panel gives added comfort. The contoured shoulder straps lie comfortably on the shoulders and the padded handle is soft touch and ergonomic. The Crave™ II Backpack is a comfortable, lightweight and durable option for work, leisure or travel.
