- 5.1 Surround sound - Immersive sound experience

Rich, complex sound

- 28W RMS total output power

Connect to all your gear

- USB and SD card slots for photos and music playback

- Perfect for MP3, PC, TV, CD & more

- Bass boost technology with level control

Contemporary design

- Compact design for optimal portability

- High quality built-in speakers for rich and clear sound

Features

5.1 surround sound

Be at the heart of the movie and gaming experience and totally immerse yourself in sound.

USB and SD card slots

Thanks to the complete file transferability, you can easily enjoy the convenience and fun of accessing more music and photos via the USB and SD card slots.

PHILIPS

Perfect for MP3, PC, TV & more

Connect your speakers to all your gear. A great way to listen to your MP3 player, PC, TV, CD, DVD and all your multimedia stuff.

Bass with level control

Unique subwoofer design produces a much deeper, richer bass. You also have the possibility to set the bass level to your choice.

Compact design

Thanks to the compact design you can easily carry the power solution with you when you are on the go.
