# Highlights

## For Star Wars fans

This Philips and Star Wars light for your bedroom creates an environment which encourages you to indulge into adventurous and epic adventures. A place where you can study, relax and sleep accompanied by your favorite Star Wars character. This light is designed to be safe for you.

## For your bedside table or desk

This lamp for your bedroom fits perfectly on a bedside table or desk. It sheds a soft warm white light which is ideal for reading a book or doing some homework. Close at hand and easy to switch on, it makes you feel safe and comfortable at night.

## High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

## Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lights with a low Kelvin value produce a warm, more cozy light, while those with a higher Kelvin value produce a cool, more energizing light. This light offers warm white light for a cozy atmosphere.

## On/off switch on cable

With the switch discreetly integrated onto the cable, you can easily switch the light on and off.
