Is there a manual?

You have a detailed user manual and FAQ on the CD by-packed with your GoGear. You can also download the same file from this website: www.philips.com/support

Register your product

Since it is possible for you to upgrade your product, we recommend that you register your product on www.philips.com/register so we can inform you as soon as new free upgrades become available.

Don't forget about upgrades

We know you will enjoy your product for a long time. For best performance, we recommend that you regularly check in to www.philips.com/support for free upgrades of the latest software and Firmware Manager for your product. These downloads will help you to optimize your product's performance and to take advantage of our future support of new audio formats.

Enjoy your new music experience.

4

1 Install

1 Insert the CD supplied with your product into the CD ROM drive of your PC.
2 Follow the onscreen instructions to complete the installation of **Windows Media Player 10** and **Philips Firmware Manager**.

2 Connect and charge

1 To charge your player, press and slide out the USB connector.
2 Connect your player directly to your computer's USB port.
3 Charge your player for 4 hours or until the battery icon 🔋 stops blinking.

3 Transfer

You can organize files and transfer music to your player during a USB connection session using Windows Explorer.
1 In Windows Explorer, select one or more songs on your computer that you want to transfer to your player.
2 Use drag and drop actions in Windows Explorer from your computer to your player to complete the transfer. (Ensure that you drop songs into the Media folder and data files into the Data folder only).

4 Enjoy

A Power on and play

To power on, press and hold ▶II until the PHILIPS splash screen appears.
To power off, press and hold ▶II again until there is no display on the screen.

B Navigate root menu

When your player powers up, you will see the Root menu. You can also press and hold MENU to access the root menu. It includes:

🎵 Music	Play your digital music tracks
📶 Radio	Listen to your radio presets
🎙 Recording	Play and manage recordings
📁 Folder view	Browse your music tracks or recordings by folders

C Navigate the menu

Your player has an intuitive menu navigation system to guide you through various settings and operations. Use +, -, ◄◄, ►► to browse through menus. Press ▶II to confirm your selection.

To exit any current mode or play activity, press MENU or ◄◄.

Music mode (also applicable to playback of recordings)

From the root menu, select **Music** to enter the Music library. Your player will play the music per folder in alphabetical order. Basic operations in music mode include:

Basic operations	Controls to press
Go for next song	Press ▶▶|
Go for previous song	Press |◀◀
Pause music	Press ▶|| during music playback
Go to next folder	Press and hold ▶▶|
Go to previous folder	Press and hold |◀◀
Volume Control	Press +/-

Folder view

From the root menu, select **Folder view** to enter the folder view. The Folder view displays your music according to how you arrange them in folders when you transfer them by drag and drop.

Folders and tracks will be listed according to alphabetical order.

Basic operationsin Folder View	Controls to press
Go to next track / folder	Press +
Go to previous track / folder	Press -
Go into a folder	Press ▶▶|
Go up one folder level	Press |◀◀
Select an item	Press ▶||

After selecting an item, a small pop up window comes up. Press +/- to choose **Play** to start playing all the tracks from the selected point in the chosen folder, or delete the chosen item respectively.

7

Radio mode* (only available to some regions)

From the root menu, select Radio to enter the radio mode.

Manual tune

1 Press MENU and select **Manual tune**.
2 Press ▶❚❚ to confirm.
3 Press ◄◄ or ►► to search the station or press and hold ►► to search for the next available station.
4 Press ▶❚❚ to save your preset.

Auto tune

1 Press MENU and select **Auto tune**.
2 Press ▶❚❚ to confirm.
> *Your player will automatically select up to 30 strongest available stations.*

Play a preset station

1 From the root menu, select Radio to enter into the radio mode and tune to your preferred station.
2 Press ◄◄ or ►► to scroll up or down for your preset.
> *The preset will be automatically played.*

Recordings

When your player is not connected to the computer, you can make voice or radio recordings.

Make voice recordings

1 Press REC to start voice recording.
> *Your player shows the recording state.*
2 Press REC again to stop voice recording
> *Your player shows the saving state. Your voice recording will be saved in your VOICE folder on your player. (Filename: MIC-XXX.wav where XXX is the track number which is automatically generated.)*

8

Make FM recordings*
1 In radio mode, tune to your preset station.
2 Press REC to start FM recording.
> *Your player shows the recording state.*
3 Press REC again to stop FM recording.
> *Your player shows the saving state. Your FM recording will be saved in your FM folder on your player.*
  (Filename: FM-XXX.wav where XXX is the track number which is automatically generated.)

Play back recordings
You can find your voice recordings and FM recordings in the VOICE and FM folders respectively.
1 From the root menu, select **RECORDINGS** to enter into the VOICE / FM library. Your
  player will play all your recordings alphabetically in the VOICE / FM library as you press ▶❙❙.
2 Press ▶❙❙ to pause the current playing recording.
3 Press ❙◀◀ or ▶▶❙ to play next or previous recordings.

Tip Playback of recordings functions the same way as in the Music mode. See Music mode >
Playback section for more information.

Troubleshooting

How do I reset my player?
In the unlikely event that your player hangs, do not panic. Simply press the **Reset** button.

Disposal of your old product

Your product is designed and manufactured with high quality materials and components, which can be recycled and reused.
When this crossed-out wheeled bin symbol is attached to a product it means the product is covered by the European Directive 2002/96/EC

Please inform yourself about the local separate collection system for electrical and electronic products.
Please act according to your local rules and do not dispose of your old products with your normal household waste. The correct disposal of your old product will help prevent potential negative consequences for the environment and human health.

* FM radio is only available to some regional versions.
